

Dr Brendan J. Murphy

President, Cork Institute of Technology (incorporating the CIT Cork School of Music, CIT Crawford College of Art & Design and the National Maritime College of Ireland).

A native of Tralee in Co. Kerry, Dr Murphy is a Mathematics and Statistics graduate and has lectured in Mathematical and Computer Sciences at CIT since 1974.

(BA in Pure Mathematics, MA in Mathematical Statistics, PhD in Mathematical Statistics)

A fellow of the Royal Statistical Society and of the Irish Computer Society, he is also a Chartered Engineer and Fellow of the Institute of Engineers of Ireland.

Multi-lingual and widely published, he was Head of the Department of Mathematics and Computing at Cork Institute of Technology (CIT) from 1988 to 2003 and Head of School of Computing and Mathematics from 2003 until he took up the position of President of Cork Institute of Technology in September 2004. During that time he has established partnerships throughout Europe and served on numerous Advisory Boards.

He is a director of Ireland's National Education and Research Network (HEAnet) and many other higher education companies. He is also a member of the Expert Group on Future Skills needs (EGFSN) and a member of the Foras Áiseanna Saothair (FÁS) Training and Employment Authority Board since 2010. In 2011 he is the Chair of the Institutes of Technology Ireland (IOTI).

CIT www.cit.ie

IOTI www.ioti.ie

EGFSN www.egfsn.ie

The Expert Group on Future Skills Needs (EGFSN) advises the Irish Government on current and future skills needs of the economy and on other labour market issues that impact on Ireland's enterprise and employment growth. It has a central role in ensuring that labour market needs for skilled workers are anticipated and met.

FÁS www.fas.ie

FÁS enhances the skills and competencies of individuals and enterprises in order for Ireland to further develop as a competitive, inclusive, knowledge-based economy. It strives to do this through the provision of tailored training and employment programmes that suit everyone's needs.

HEAnet www.heanet.ie

HEAnet is Ireland's National Education and Research Network, providing high quality Internet Services to Irish Universities, Institutes of Technology and the research and educational community, including all Irish primary and secondary schools.
